The Demand

```
graph TD; A[The Demand] --> B[To invest]; A --> C[To manage funds];
```

A diagram with a dark blue background featuring faint silhouettes of people. At the top center is a red rounded rectangle containing the text 'The Demand' in white. Two white curved arrows originate from the bottom of this rectangle, pointing downwards to two separate white rounded rectangles. The left rectangle contains the text 'To invest' and the right rectangle contains the text 'To manage funds'.

To invest

To manage funds

Habitual Issues for Funds and Traders

- ✗ No tokenization**
- ✗ Legal issues**
- ✗ Lack of professional software**
- ✗ Lack of money**
